## Experience

### Laboratory Assistant

Laboratorium Informatika UII

Sep, 2020 - Present

As a laboratory assistant, my team assists lecturers in the teaching process and helps students understand Algorithms and Data Structures, Web Based Application Development, Programming Logic, and I also become Coordinator of Creative Information and Publications Division in the organization.

### Freelance Front-End Developer

Remote

2022 - Present

I started my career as a front-end developer as a direct freelancer with clients. I freelance when someone needs a simple website that displays information without a database in it, and I like working remotely.

### Mentor Belajar Bersama

HMTF LEM FTI UII

23 Nov 2021

Become a presenter in joint learning events to improve understanding of the material that is still being complained about

### Coordinator of Publication and Documentation

HMTF LEM FTI UII

17 Dec 2020 - 2 Mar 2021

Coordinating, planning, and implementing sports week events in informatics in order to reach a large audience and enliven the event

### Group Companion Pesona Ta'aruf

Lembaga Eksekutif Mahasiswa UII

7 Agu 2020 - 24 Mar 2021

Be a companion to introduce the campus environment to new students so that new students can get to know the campus more deeply

### Human Resource Staff

Marching Band Universitas Islam Indonesia

2019 - 2020

Help manage human resources to maintain and improve training performance so that members feel comfortable with other members

## Education

### Universitas Islam Indonesia

Informatics Study

Yogyakarta, Indonesia. 2019 - Present

### Alterra Academy

UI/UX Designer

Remote - 17 Feb 2022 - 29 Jul 2022
